State, or to any aid societies of properly organized and accredited churches and fraternal societies organized for aid and relief to their members, or to any charitable society incorporated under the laws of New Jersey having as one of their objects the prevention of cruelty to children or the care and protection of children.

2. All such boards of health or similar bodies are hereby empowered, for the purpose of enforcing such ordinances, to provide a penalty for the violation of the provision thereof, not exceeding \$50, to be enforced in any court in any such municipality having the jurisdiction and power to enforce municipal ordinances and penalties incurred by any person for violation thereof.

Pasteurization of Milk and Cream—State Board of Health to Regulate and License Establishments. (Chap. 285, Act Apr. 13, 1915.)

1. No person, firm or corporation, producing, buying, or receiving milk or cream for the purpose of selling the same shall sell or offer for sale as pasteurized milk or cream any milk or cream unless it has been pasteurized in accordance with the rules and regulations adopted by the board of health of the State of New Jersey under authority contained in section 2 of this act. No person, firm, or corporation shall operate or conduct an establishment for the pasteurization of milk or cream until a license shall first have been granted by the board of health of the State of New Jersey to such person, firm, or corporation, authorizing such person, firm, or corporation to engage in the business of pasteurizing milk or cream at a place designated in said license. Said license shall be granted by said board under such rules and regulations as the said board may from time to time adopt.

2. The board of health of the State of New Jersey shall have the power to adopt, promulgate, and enforce rules and regulations regarding the pasteurization of milk and cream, and said board may fix the temperature at which such milk and cream shall be pasteurized, and the time at which such milk or cream shall be held at such temperature.

3. After milk, cream, or other milk products have been pasteurized they shall be immediately cooled and kept at a temperature of 59° F. or below until distributed or sold. Any person, firm, or corporation who shall violate any of the provisions of this act or who shall disobey any rule or regulation adopted by the board of health of the State of New Jersey, under authority contained in this act, shall be liable to a penalty of \$50 for each offense, to be recovered in an action of debt by the board of health of the State of New Jersey, said penalty when recovered to be paid into the treasury of this State.

Meat and Meat Products—Use of Preservatives from Which Sulphur Dioxide Can Be Liberated Prohibited. (Chap. 74, Act Mar. 24, 1915.)

1. No person shall distribute or sell, or have in his possession with intent to distribute or sell, any meat or meat product to which any sodium sulphite, sodium bisulphite, or any drug, chemical, chemical compound, or preservative, from which sulphur dioxide can be liberated, has been added thereto or mixed therewith.

2. Every person who shall violate any of the provisions of this act shall be liable to a penalty of \$50 for the first offense and to a penalty of \$100 for the second and each subsequent offense. Payment of a penalty for any alleged violation of this act either before or after the institution of proceedings for the collection thereof, shall, for the purposes of this act, be deemed equivalent to a conviction of the violation for which such penalty was claimed.

3. This act shall be enforced by the same boards and in the same manner as the act to which this act is a supplement, and all penalties incurred under this act shall be sued for and recovered by the same boards and in the same manner as penalties incurred under provisions of the act to which this act is a supplement.
